

Dear Sir/Madam,

I would like to comment on a proposed Business Opportunity Rule which can affect my business. I do see few things in the rule which i would like to give my input.

1. Prospects would have to wait seven days after receiving disclosures before they could register.

**Comment:** I would like to eliminate the waiting period as we offer money back guarantee on every circumstances.

2. Required to give every prospect a list of "references" – the names, addresses, and phone numbers of 10 other IBOs in the area – seven days before the prospect registers.

**Comment:** This would be against the privacy of the people and can hamper the effort as an IBO we put in the business. Please eliminate the requirement.

3. Have to give every prospect a list of all lawsuits, arbitrations, and other legal claims for the past 10 years involving Quixtar and its IBOs where the plaintiff alleged fraud, misrepresentation, or unfair trade practices – regardless of whether or not the accusation was true.

**Comment:** In my personal opinion this doesn't make any sense as anyone can get confused with the law suit without knowing the depth of the incident. Among other problems, this requirement would open up Quixtar and other legitimate companies to false accusations.

4. Have to make a different disclosure for every income claim.

**Comment:** In the business material we do provide average income of active IBOs.

5. Required to provide prospects with personal financial documents to back up ("substantiate") any income claim

**Comment:** I do not wish to provide my financial income to anyone unless it's requested by the federal departments.
